## Shared Lodgings

To be good stewards of our funding, it is our practice to place members into shared lodgings during training events. This may include two-person hotel rooms, quad-style dorms, etc. Typically, we pair members of shared gender identity, and to make that determination we make use of members' pronouns. However, we understand that this system operates upon a number of assumptions, and that it may not adequately meet the needs of non-binary and trans members. If you would like for MTCC to reach out to you directly to discuss your shared lodging needs, please mark the space below, and we will contact you. If you do not feel comfortable making this identification on a form, you can privately contact Callye Foster, VISTA Program Director, to set up a time to talk ([foster@mtcompact.org](mailto:foster@mtcompact.org); 406-243-2379). We honor the privacy of all members, and do not share this information beyond those who must know it to plan training events.

\_\_\_\_ I would like MTCC staff to contact me to discuss shared lodgings during training events.

## Training Accommodations

Oftentimes, our trainings occur at an MTCC affiliate's college campus where individuals lodge together with other members of their national service cohort. Additional MTCC trainings and cohort activities occur virtually via Zoom Video Conferencing. Trainings may take place over multiple days and may encompass the following components: Lecture, Group Discussion, Audio/Visual, Physical Activity (Light to Moderate), etc.

Individuals wishing to make requests for training accommodations based on the **Americans with Disabilities Act (ADA)** should follow the instructions in the separate document titled "ADA Accommodation Requests".

AmeriCorps members who would like to request reasonable accommodations that will make training activities more accessible or comfortable for them, but whose requests are **not based on the Americans with Disabilities Act (ADA)**, are encouraged to write them below. Please be aware that multiple MTCC staff will have access to this form. If your requests are of a personal or medical nature that you prefer to remain confidential, it is recommended that you communicate these requests directly to Callye Foster, AmeriCorps VISTA Director, at [foster@mtcompact.org](mailto:foster@mtcompact.org) or 406-243-2379. All requests will be reviewed by MTCC and implemented whenever possible.
